WINNIPEG MB R3E 3G5**

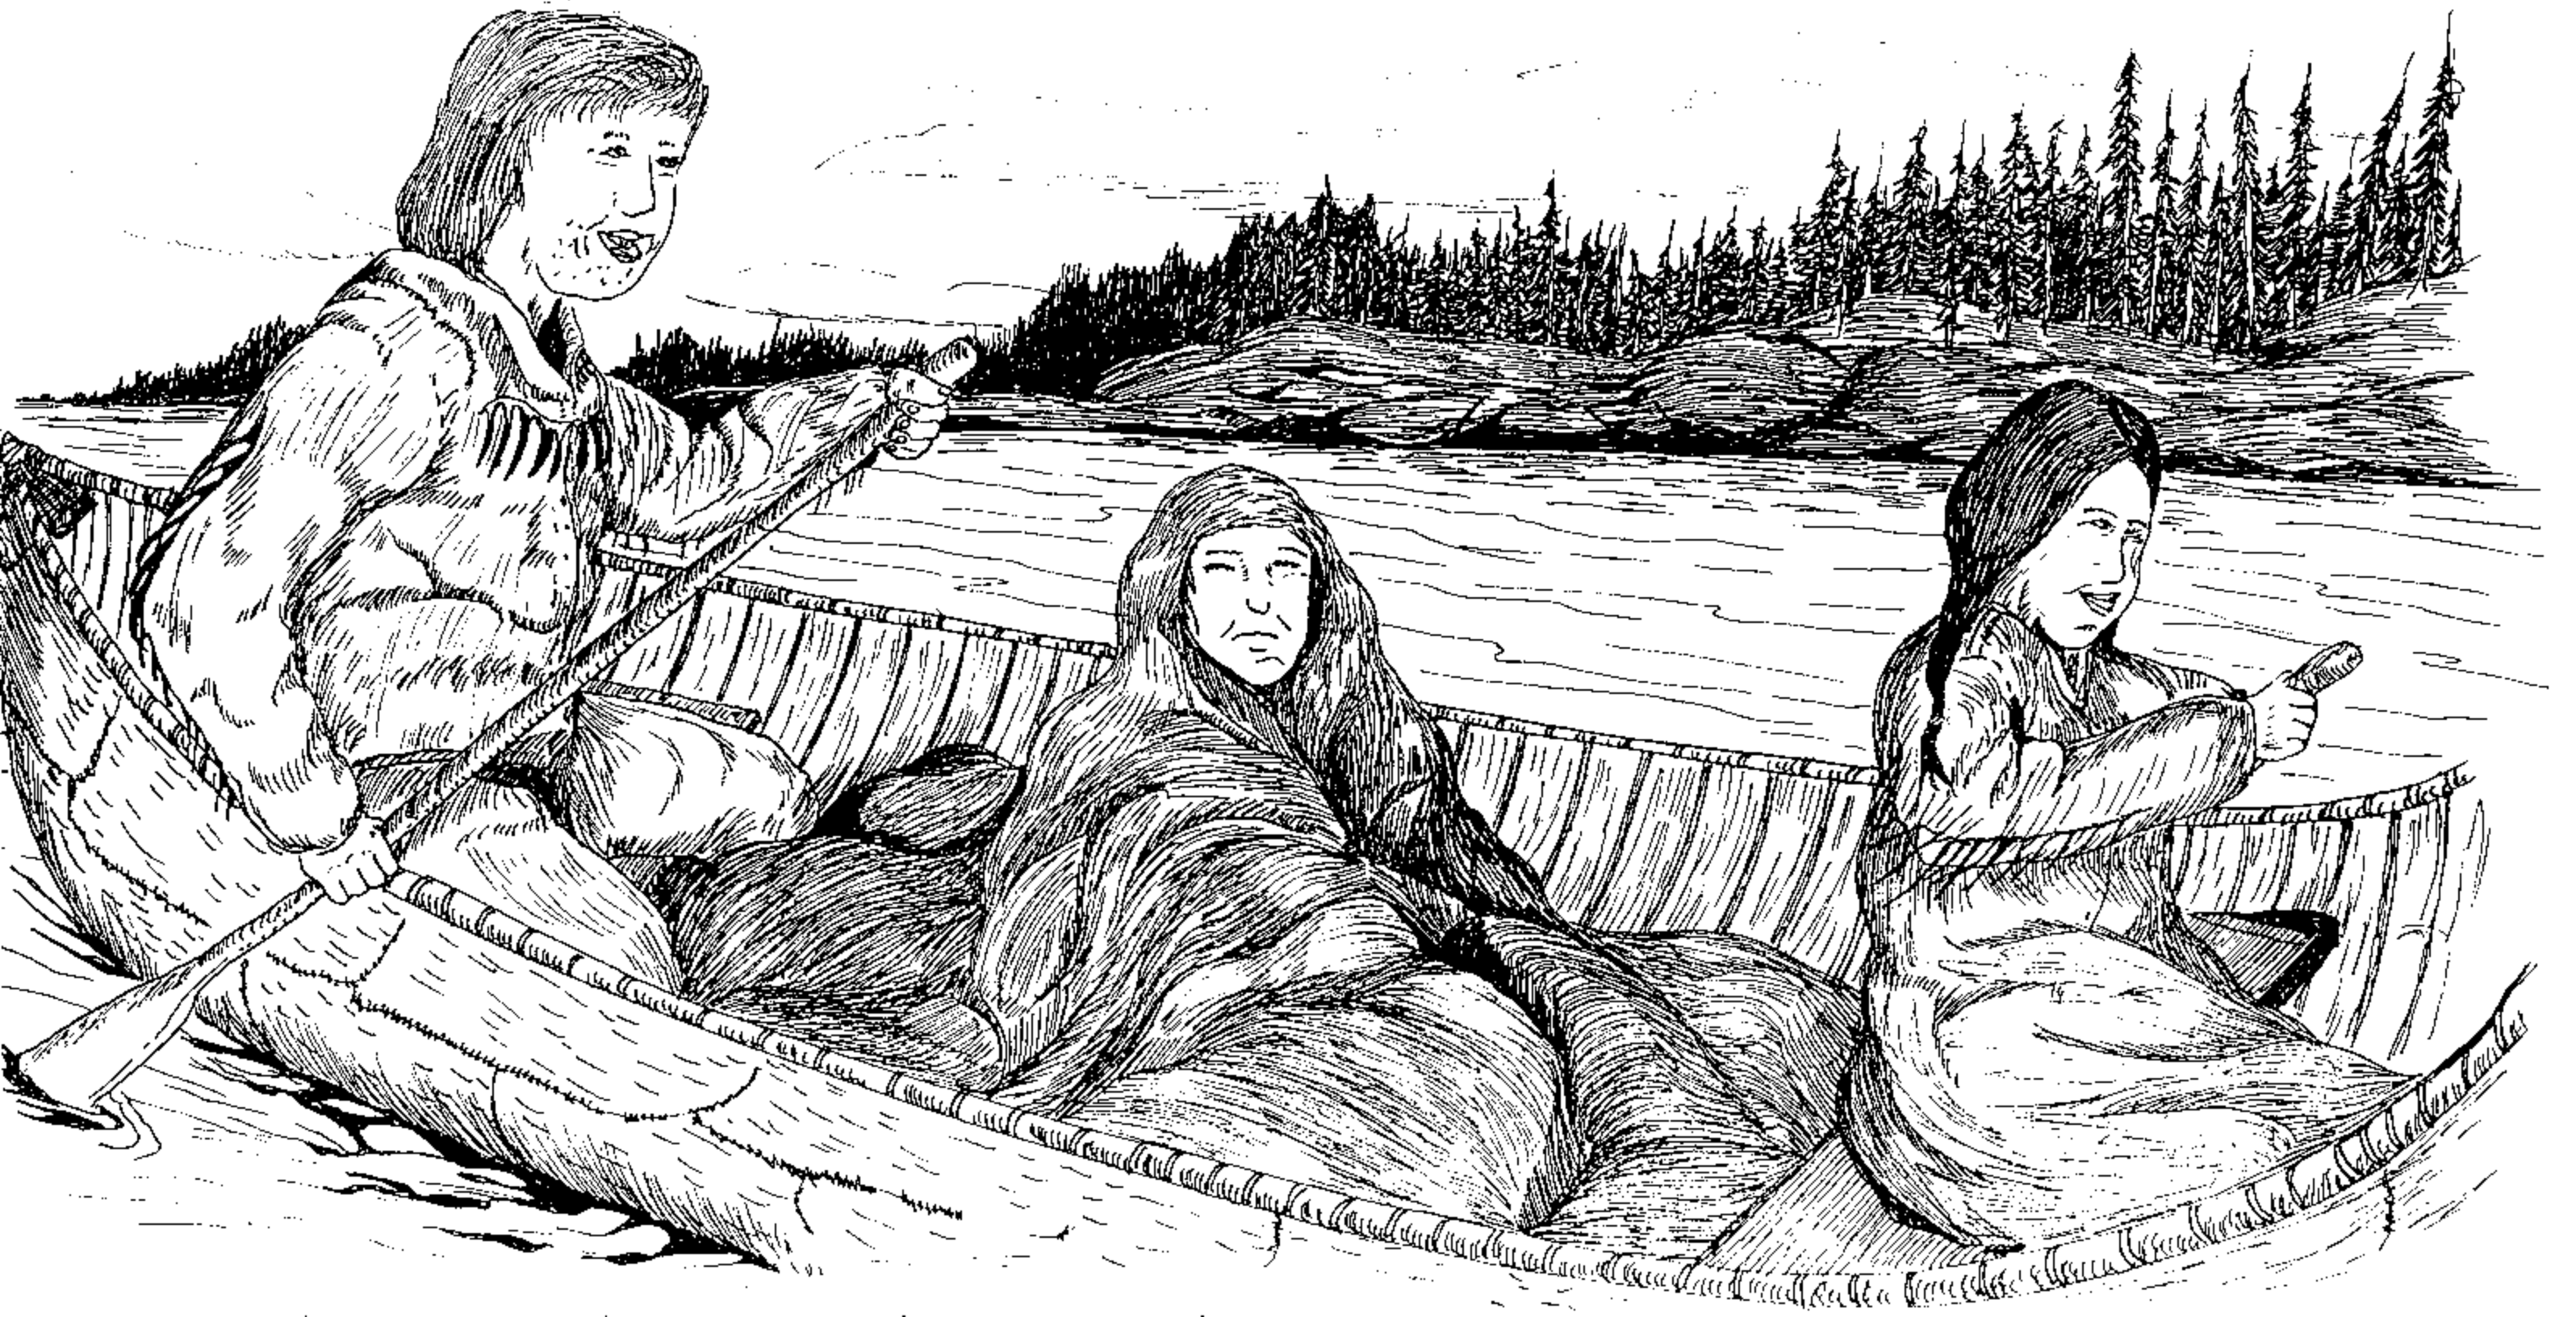

My name is Clara.

**I went down the river in a canoe with
my mother and father.**

I rested under a blanket.

My mother tapped me on the shoulder.

She pointed to the shore.

I looked.

I saw a big animal.

**It had a big, scarey face, and a tree
growing out of its head.**

I was frightened.

I was afraid. I hid under the blanket.
